WELCOME TO SUNSHINE HEALTH!

Welcome to Sunshine Health! Our top priority is to make sure you get high-quality healthcare when you need it.

This is your provider directory. The next few pages tell you how to use the directory. Let us know if you need help understanding this.

You can also use our online Find a Provider Tool to search for providers by address, zip code or county. You can find primary care doctors, medical clinics, mental health providers, hospitals, pharmacies and medical equipment suppliers. Visit **FindAProvider.SunshineHealth.com**.

EASY TO USE

We want to make using your benefits from Sunshine Health easy, so you can get healthy and stay healthy. One important way to do this is finding a good primary care doctor and seeing him or her regularly. When you need care, call your PCP to make an appointment. Tell them you are covered by Sunshine Health. It's that simple.

CHOOSING YOUR DOCTOR

Getting care that is right for your age and your health is important. It's important to have a good relationship with a primary care provider (PCP) who can get to know you and your needs. Visit your doctor at least once a year, even if you feel well.

During an annual checkup, your doctor can check your overall health and tell you about health screenings or tests you may need. Your doctor can also help you manage any chronic conditions, like asthma or diabetes. Your PCP's job is to take care of you. Your doctor may send you to other doctors when you need specialized care. This is called a referral. Your PCP will work with you and any needed specialists to try to keep you healthy.

You, and all eligible family members, can choose a PCP from our list of providers. If not, we will select one for you. Your entire family can see one PCP, or each family member may pick a different PCP. You can also change your PCP to a different PCP at any time.

Family members can choose from:

- Pediatricians (they only see children)
- General/family practice (they see everyone in your family)
- Internal medicine (they usually see adults)
- A provider working in a clinic (for rural areas)

When you visit your PCP, here are a few tips to make the most of your doctor's visit:

- Be honest. Don't minimize your symptoms or feelings.
- If you don't understand something, ask questions.
- Don't be nervous to talk about your health issues or symptoms. Your doctor is there to help.
- Ask about next steps and schedule a follow-up appointment, if needed.

If you need help or don't see your doctor in this directory, call Member Services at 1-866-796-0530 (TTY 1-800-955-8770).

CHOOSING AN OB/GYN

Women may pick any OB/GYN doctor from the Sunshine Health network. This doctor takes care of female healthcare needs without a referral from your doctor. ¡BIENVENIDO A SUNSHINE HEALTH!

¡Bienvenido a Sunshine Health! Nuestra máxima prioridad es asegurarnos de que reciba atención médica de alta calidad cuando la necesite.

Este es su directorio de proveedores. Las siguientes páginas le indican cómo usar el directorio. Infórmenos si necesita ayuda para comprender esto.

FÁCIL DE USAR

Queremos facilitar el uso de sus beneficios de Sunshine Health para que pueda estar saludable y mantenerse saludable. Una forma importante de hacerlo es encontrar un buen médico de atención primaria y visitarlo regularmente. Cuando necesite atención, llame a su PCP para agendar una cita. Dígales que está cubierto por Sunshine Health. Es así de simple.

ELEGIR A SU MÉDICO

Es importante recibir la atención adecuada para su edad y su salud. Igualmente, es importante tener una buena relación con un proveedor de atención primaria (PCP) que pueda conocerlo a usted y sus necesidades. Visite a su médico al menos una vez al año, incluso si se siente bien.

Durante un chequeo anual su médico puede controlar su salud general e informarle sobre exámenes de detección o pruebas de salud que pueda necesitar. Su médico también puede ayudarlo a controlar cualquier enfermedad crónica, afecciones, como asma o diabetes. El trabajo de su PCP es cuidarlo. Su médico puede derivarlo a otros médicos cuando necesite atención especializada. A esto se le llama remisión. Su PCP trabajará con usted y con los especialistas necesarios para tratar de mantenerlo saludable.

Usted y todos los miembros elegibles de su familia pueden elegir un PCP de nuestra lista de proveedores. Si no, seleccionaremos uno para usted. Toda su familia puede consultar a un PCP, o cada familiar puede elegir un PCP diferente. También puede cambiar su PCP por otro en cualquier momento.

Los familiares pueden elegir entre:

- Pediatras (solo atienden a niños)
- Práctica general/familiar (ven a todos en su familia)
- Medicina interna (generalmente atienden a adultos)
- Un proveedor que trabaja en una clínica (para áreas rurales)

Cuando visite a su PCP, estos son algunos consejos para aprovechar al máximo su visita al médico:

- Ser honesto. No minimice sus síntomas o sentimientos.
- Si no entiende algo, hacer preguntas.
- No se ponga nervioso al hablar sobre sus problemas de salud o síntomas. Su médico está allí para ayudarlo.
- Pregunte sobre los próximos pasos y agende una cita de seguimiento, si es necesario.

Si necesita ayuda o no ve a su médico en este directorio, llame a los Servicios al Miembro al 1-866-796-0530 (teléfono de texto 1-800-955-8770).
