### **BEHAVIORAL HEALTH**

Behavioral Health refers to mental health, alcohol and drug abuse services. Sunshine Health has providers that can provide extra services. These will be in addition to the services you may already receive from Medicare or Medicaid. They are listed in this directory. Please talk to your Care Manager to arrange for these services.

### **FOR MEDICAL CARE**

If you have Medicare eligibility, then you will access most medical services through that coverage. However, as a Comprehensive LTC member with Sunshine Health, you also have access to Medicaid-covered medical care. You can use Sunshine Health's Managed Medical Assistance Provider Directory to find a medical provider. If you have any questions, your Care Manager can help.
