

Requesting Interpreter Services

At Sunshine Health, we value everything you do to deliver quality care to our members – your patients – and to ensure they have a positive healthcare experience. That’s why we strive to see that members who need language services have adequate communication support. We have resources available to provide assistance when you identify members who have potential cultural or language barriers. These include:

- Interpreter services for languages other than English or members who have limited English proficiency
- Sign language interpreter services for the hearing impaired
- Telephone system technology (TTY line) for the hearing impaired

Providers can access communication support for medical appointments and encounters as follows:

- **Non-urgent:**
 - If a member needs a **sign language or foreign language interpreter** for a medical appointment, providers have two (2) options for requesting these services.
 - Contact Provider Services to assist in arranging for this service through a locally contracted vendor. Provider Services can be reached at 1-844-477-8313.
 - OR
 - Complete and return the translation request form below and email it to InterpreterRequests@centene.com. Please request interpreter services at **least 5 days in advance**.
 - Live, in-person translation is preferred to telephonic translation in non-urgent cases. Telephonic services will only be used when an interpreter for the required language cannot be found in or near the particular area.
- **Urgent/Emergent:**
 - If a member needs **language translation** at the time of an urgent or emergent encounter and the provider does not have bilingual staff, the provider should contact Provider Services. A representative will work to patch in a translator for telephonic translation.
 - Provider Services can be reached at 1-844-477-8313.

As a general rule, Sunshine Health discourages the use of patients’ family members, particularly minor children, as translators. Family members may not be capable of translating medical terminology. In addition, patients may hesitate to speak candidly about their health problems in the presence of young family members.

Sunshine Health pays all costs of commercial language services required by its members, including services rendered in a provider’s office or facility, as long as the translator is not on the staff of the facility. This includes the below lines of products:

- Medicaid
 - Managed Medical Assistance (MMA)
 - Serious Mental Illness (SMI) Specialty Plan
 - Long Term Care (LTC) Plan
 - Child Welfare Specialty Plan (CWSP)
 - Children’s Medical Services (CMS) Specialty Plan
- Medicare
- Marketplace

Electronic Media for the Hearing Impaired

Members have access to the TTY line for hearing impaired services. Sunshine Health's Provider Services is responsible for any necessary follow-up calls to the member. The toll-free TTY number can be found on the member's identification card.

Interpreter Request Form

Please email the completed form to InterpreterRequests@centene.com.

The request should be made at least 5 business days prior to the member needing an interpreter. Requests cannot be made more than 30 days in advance of the scheduled appointment date.

We cannot guarantee an interpreter if the request is received less than 72 hours before the appointment.

Quality care is a team effort. Thank you for playing a starring role!
