Action Required Regarding 2018 CMS Mandatory Trainings

Dear Sunshine Health Provider,

The Centers for Medicare and Medicaid Services (CMS) require that Medicare Advantage Organizations inform network providers and practitioners about the requirements to complete annual training. In 2018, the required trainings are:

- Model of Care (MOC)
- General Compliance (Compliance)
- Fraud, Waste, and Abuse (FWA)*

For General Compliance and Fraud, Waste, and Abuse*: effective **January 1, 2018**, First-Tier, Downstream, and Related Entities (FDR), as well as delegated entities, will be required to complete training via the Medicare Learning Network (MLN) website. The trainings must be completed by each individual provider/practitioner within the group rather than one person representing the group collectively. The updated regulation requires all applicable entities (providers, practitioners, administrators) to complete the training within 90 days of contracting or becoming a delegated entity and annually thereafter. Once the training is completed, each applicable entity will need to complete the certificate(s) of completion or attestation through the CMS MLN and provide a copy to Sunshine Health.

**Note: FDR's deemed to have met the FWA training and education certification requirements through enrollment into Parts A or B of the Medicare program or through accreditation as a supplier of DMEPOS are exempt from the FWA training requirement only (General Compliance training remains a requirement)*

To complete Compliance and FWA training (if applicable) and access your certificate of completion:

- Visit the CMS MLN site:
To access training, use the following link and refer to the "Downloads" section of the webpage:

For Medicare Advantage Model of Care (MOC), the training should be accessed at <https://www.sunshinehealth.com/providers/resources/provider-training.html>. Once the training is completed, please fill out the attestation form located at the end of the presentation and submit. Attestation forms can be completed and submitted online per instructions.
