WELCOME TO CHILDREN'S MEDICAL SERVICES HEALTH PLAN!

Welcome to Children's Medical Services (CMS) Health Plan! Our top priority is to make sure your child gets high-quality healthcare when needed.

This is your provider directory. The next few pages tell you how to use the directory. Let us know if you need help understanding this.

You can also use our online Find a Provider Tool to search for providers by address, zip code or county. You can find primary care doctors, medical clinics, mental health providers, hospitals, pharmacies and medical equipment suppliers. Visit **FindAProvider.SunshineHealth.com**.

EASY TO USE

We want to make using your child's benefits from Children's Medical Services Health Plan easy. One important way to do this is finding a good primary care doctor and seeing him or her regularly. When your child needs care, call your child's PCP to make an appointment. Tell them CMS Health Plan covers your child. It is that simple.

CHOOSING YOUR CHILD'S PROVIDER

Getting care that is right for your child's age and health is important. It's important to have a good relationship with a primary care provider (PCP) who can get to know your child and his or her needs. Your child should visit their PCP at least once a year, even if they feel well.

During an annual checkup, the doctor can check your child's overall health and discuss health screenings or tests your child may need. The doctor can also help manage any chronic conditions, like asthma or diabetes. The PCP's job is to take care of your child. The doctor may send your child to other providers when specialized care is needed. This is called a referral. The PCP will work with your child and any needed specialists.

Families can choose a child's PCP from our list of providers. If not, we will select one for your child. You can also change your child's PCP to a different PCP at any time.

Family members can choose from:

- Pediatricians (they only see children)
- General/family practice (they see everyone in your family)
- Internal medicine (they usually see adults)
- A provider working in a clinic (for rural areas)

When your child visits the PCP, here are a few tips to make the most of the doctor's visit:

- Be honest. Don't minimize your child's symptoms or feelings.
- If you don't understand something, ask questions.
- Don't be nervous to talk about your child's health issues or symptoms. The doctor is there to help.
- Ask about next steps and schedule a follow-up appointment, if needed.

If you need help or don't see your doctor in this directory, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

CHOOSING AN OB/GYN

Families may pick any OB/GYN doctor from the CMS Health Plan network. This doctor takes care of female healthcare needs without a referral from your child's provider. An OB/GYN helps your child with pregnancy care, yearly check-ups and general women's health. If you need help, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

FAMILY PLANNING

CMS Health Plan members can get family planning services without a referral from their doctor. Your child can get services directly from his or her doctor. Your child can also go to any family planning clinic that takes CMS Health Plan. If you need help choosing a family planning provider, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

ACCESSIBILITY

If your child uses a wheelchair, walker or other aids and needs help getting into a doctor's office, call the doctor's office before arriving. This way, someone can be ready to help when you arrive. If you need help talking with your child's doctor about special needs, call your child's CMS Health Plan care manager or Member Services at 1-866-799-5321 (TTY 1-800-955-8770).

TAKING CARE OF YOUR CHILD

¡BIENVENIDO AL PLAN DE SALUD CHILDREN'S MEDICAL SERVICES!

¡Bienvenido al Plan de Salud Children's Medical Services (CMS)! Nuestra máxima prioridad es asegurarnos de que su hijo(a) reciba atención médica de alta calidad cuando sea necesario.

Este es su directorio de proveedores. Las siguientes páginas le indican cómo usar el directorio. Infórmenos si necesita ayuda para comprender esto.

También puede usar nuestra herramienta Buscar un proveedor en línea para buscar proveedores por dirección, código postal o condado. Puede encontrar médicos de atención primaria, clínicas médicas, proveedores de salud mental, hospitales, farmacias y proveedores de equipos médicos. Visite **FindAProvider.SunshineHealth.com**.

FÁCIL DE USAR

Queremos facilitar el uso de los beneficios de su hijo(a) del Plan de Salud Children's Medical Services. Una forma importante de hacerlo es encontrar un buen médico de atención primaria y visitarlo regularmente. Cuando su hijo(a) necesite atención, llame al PCP de su hijo(a) para agendar una cita. Dígalos que el Plan de Salud CMS cubre a su hijo(a). Es así de simple.

ELEGIR EL PROVEEDOR DE SU HIJO(A)

Es importante recibir la atención adecuada para la edad y la salud de su hijo(a). Igualmente, es importante tener una buena relación con un proveedor de atención primaria (PCP) que pueda conocer a su hijo(a) y sus necesidades. Su hijo(a) debe visitar a su PCP al menos una vez al año, incluso si se siente bien.

Durante un chequeo anual, el médico puede controlar la salud general de su hijo(a) y analizar los exámenes de salud o pruebas que él(ella) pueda necesitar. El médico también puede ayudar a controlar cualquier afección crónica, como asma o diabetes. El trabajo del PCP es cuidar de su hijo(a). El médico puede derivar a su hijo(a) a otros proveedores cuando se necesite atención especializada. A esto se le llama remisión. El PCP trabajará con su hijo(a) y con los especialistas necesarios.

Las familias pueden elegir el PCP de un(a) niño(a) de nuestra lista de proveedores. Si no, seleccionaremos uno para su hijo(a). También puede cambiar el PCP de su hijo(a) a otro PCP en cualquier momento.
