### **EASY TO USE**

Getting benefits from Sunshine Health is easy. We believe the best way for you to keep good health is to have a good relationship with your family doctor. That is why you pick your own Primary Care Doctor (PCP). When you need care, all you have to do is call your PCP for an appointment. Tell them you are covered by Sunshine Health. It's that simple.

### **CHOOSING YOUR PCP**

Each eligible family member is asked to choose a PCP from our list. Your PCP has the job of taking care of you and sending you to other doctors when you need them. You can have the entire family see one PCP or each family member may pick a different PCP.

Family members can choose from:

- Pediatricians (they only see children)
- General/Family Practice (they see everyone in your family)
- Internal Medicine (they usually see adults)
- A provider working in a clinic (RHC/FQHC)

If you need help or don't see your doctor on this list, call Member Services. The number is 1-855-463-4100 (TDD/TTY 1-800-955-8770).

### **CHOOSING AN OB/GYN**

Women may pick any OB/GYN doctor from the Sunshine Health Provider Network. This doctor will take care of female health care needs without a referral from your doctor. An OB/GYN can help you with pregnancy care, yearly check-ups and any female problems you may have. Call Member Services if you need help. The number is 1-855-463-4100 (TDD/TTY 1-800-955-8770).
