WELCOME TO SUNSHINE HEALTH!

Welcome to Sunshine Health! Our top priority is to make sure you get high-quality services in the Long Term Care program.

This is your provider directory. The next few pages tell you how to use the directory. Let us know if you need help understanding this.

These providers have agreed to provide Long Term Care services for you. Services will be approved by your case manager. You may choose any provider from this list. You may change providers at any time. If you would like to change providers, call Member Services at 1-866-796-0530 (TTY 1-800-955-8770).

You can also use our online Find a Provider Tool to search for providers by address, zip code or county. You can find Adult Day Care, Assisted Living Facilities and Home Health Agencies. Visit **FindAProvider.SunshineHealth.com**.

FOR MEDICAL CARE

If you have Medicare eligibility, then you will access most medical services through that coverage. If you have any questions, your Care Manager can help.

BEHAVIORAL HEALTH

Behavioral Health refers to mental health, alcohol and drug abuse services. Sunshine Health has providers that can provide extra services. These will be in addition to the services you may already receive from Medicare or Medicaid. They are listed in this directory. Please talk to your Care Manager to arrange for these services.

ACCESSIBILITY

If you use a wheelchair, walker or other aids and need help getting into your doctor's office, call your doctor's office before you get there. This way, someone can be ready to help you when you arrive. If you need help talking with your doctor about your special needs, call Member Services at 1-866-796-0530 (TTY 1-800-955-8770).
