Welcome to Sunshine Health’s
Statewide Medicaid Managed Care Plan

Sunshine Health has a contract with the Florida Agency for Health Care Administration (Agency) to provide health care services to people with Medicaid. This is called the Statewide Medicaid Managed Care (SMMC) Program. You are enrolled in our SMMC plan. This means that we will offer you Medicaid services. We work with a group of health care providers to help meet your needs.

There are many types of Medicaid services that you can receive in the SMMC program. You can receive medical services, like doctor visits, labs and emergency care, from a Managed Medical Assistance (MMA) plan. If you are an elder or adult with disabilities, you can receive nursing facility and home and community-based services in a Long-term Care (LTC) plan. If you have a certain health condition, like AIDS, you can receive care that is designed to meet your needs in a Specialty plan.

If your child is enrolled in the Florida KidCare MediKids program, most of the information in this handbook applies to you. We will let you know if something does not apply.

This handbook will be your guide for all health care services available to you. You can ask us any questions, or get help making appointments. If you need to speak with us, just call us at 1-866-796-0530.
Section 1: Your Plan Identification Card (ID card)

You should have received your ID card in the mail. Call us if you have not received your card or if the information on your card is wrong. Each member of your family in our plan should have their own ID card.

Carry your ID card at all times and show it each time you go to a health care appointment. Never give your ID card to anyone else to use. If your card is lost or stolen, call us so we can give you a new card.

Your Member ID card will look like this:

(Front)

(Back)
If you are a Long-term Care member only, your Member ID card will look like this:

(Front)

(Back)
Section 2: Your Privacy

Your privacy is important to us. You have rights when it comes to protecting your health information, such as your name, Plan identification number, race, ethnicity and other things that identify you. We will not share any health information about you that is not allowed by law.

If you have any questions, call Member Services. Our Sunshine Health Privacy Practices describes how medical information about you may be used and disclosed and how you can get access to this information. Please review this carefully.

For help to translate or understand this, please call 1-866-796-0530. Hearing impaired TTY 1-800-955-8770.

Si necesita ayuda para traducir o entender este texto, por favor llame al telefono. 1-866-796-0530. (TTY 1-800-955-8770).

Interpreter services are provided free of charge to you.

Covered Sunshine Health Duties:

At Sunshine Health, your privacy is important to us. We will do all we can to protect your health records. By law, we must protect these health records.

Our Privacy Practices policy tells you how we use your health records. It describes when we can share your records with others. It explains your rights about the use of your health records. It also tells you how to use those rights and who can see your health records. This does not apply to health records that do not identify you. If one of the below reasons does not apply, we must get your written consent.

Sunshine Health can change our Privacy Practices. Any changes in our Privacy Practices will apply to all the health records we keep. If we make changes, we will send you a new notice.

Please note: You will also receive a Privacy Practice Notice from Medicaid outlining its rules for your health records. Other health plans and health care providers may have other rules when using or sharing your health records. We ask that you obtain a copy of their Privacy Practices Notices and read them carefully.

How We Use or Share Your Health Records:

Below is a list of how we may use or share your health records without your consent:

- **Treatment.** We may use or share your health records with doctors or other health care providers providing medical care to you and to help manage your care. For example, if you are in the hospital, we may give the hospital your records sent to us by your doctor.

- **Payment.** We may use and disclose your Personal Health Information (PHI) to make benefit payments for the health care services provided to you. We may release your PHI to another health plan, to a health care provider, or other entity subject to the federal Privacy Rules for their payment purposes.
• **Health Care Operations.** We may use and share your health records to: perform our health care operations; help resolve any appeals or grievances filed by you or a health care provider with Sunshine Health or the State of Florida; or help assist others who help us provide your health services. We will not share your records with these groups unless they agree to protect your records.

• **Appointment Reminders/Treatment Alternatives.** We may use and release your health records to remind you of dates and times for treatment and medical care with us. We may also use or release it to give you information about treatment options. We may also use or release it for other health-related benefits and services. For instance, information on how to stop smoking or lose weight.

• **As Required by Law.** We may use or share your health records without your consent if any law office requires them. The request will be met when the request complies with the law. If there are any legal conflicts, we will comply with the law that better protects you and your health records.

• **Public Health Activities.** We may release your health records to a public health authority to prevent or control disease, injury or disability. We may release your health records to the Food and Drug Administration (FDA). We can do this to ensure the quality, safety or effectiveness of products or services under the control of the FDA.

• **Victims of Abuse and Neglect.** We may release your health records to a local, state or federal government authority. This includes social services or a protective services agency authorized by law to have these reports. We will do this if we have reason to believe there is a case of abuse, neglect or domestic violence.

• **Judicial and Administrative Proceedings.** We may release your health records in judicial and administrative proceedings, as well as in response to an order of a court, administrative tribunal, or in response to a subpoena, summons, warrant, discovery request, or similar legal request.

• **Law Enforcement.** We may release your health records to law enforcement, when required. For instance, a court order, court-ordered warrant, subpoena or summons issued by a judicial officer, or a grand jury subpoena. We may also release your health records to find or locate a suspect, fugitive or missing person.

• **Coroners, Medical Examiners and Funeral Directors.** We may release your health records to a coroner or medical examiner. This may be needed, for example, to decide a cause of death. We may also release your health records to funeral directors, as needed, to carry out their duties.

• **Organ, Eye and Tissue Donation.** We may release your health records to organ procurement organizations or entities engaged in the procurement, banking or transplantation of cadaveric organs, eyes or tissues.

• **Threats to Health and Safety.** We may use or release your health records if we believe, in good faith, that it is needed to prevent or lessen a serious or looming threat. This includes threats to the health or safety of a person or the public.
• **Specialized Government Functions.** If you are a member of U.S. Armed Forces, we may release your health records as required by military command authorities. We may also release your health records to:
  - authorized federal officials for national security
  - intelligence activities
  - the Department of State for medical suitability determinations
  - protective services of the President or other authorized persons

• **Workers’ Compensation.** We may release your health records to comply with laws relating to workers’ compensation or other like programs, established by law. These are programs that provide benefits for work-related injuries or illness without regard to fault.

• **Emergency Situations.** We may release your health records in an emergency situation, or if you are unable to respond or are not present. This includes to a family member, close personal friend, authorized disaster relief agency, or any other person you told us about. We will use professional judgment and experience to decide if the release is in your best interest. If it is in your best interest, we will release only your health records that are directly relevant to the person’s involvement in your care.

• **Inmates.** If you are an inmate of a correctional institution or under the custody of a law enforcement official, we may release your PHI to the correctional institution or law enforcement official where such information is necessary for the institution to provide you with health care, to protect your health or safety, or the health or safety of others, or for the safety and security of the correctional institution.

• **Research.** In some cases, we may release your health records to researchers when their clinical research study has been approved. They must have safeguards in place to ensure the privacy and protection of your health records.

### Uses and Releases of Your Health Records That Require Your Written Consent:

We are required to get your written consent to use or release your health records, with few exceptions, for the reasons below:

• **Sale of Health Records.** We will request your written consent before we make any release of your health records for which payment may be made to us.

• **Marketing.** We will request your written consent to use or release your health records for marketing purposes with limited exceptions. For instance, we don’t need your consent when we have a face-to-face event with you or when we give you promotional gifts of modest value.

• **Psychotherapy Notes.** We will request your written consent to use or share any of your psychotherapy notes that we have on file with limited exception. For instance, for certain treatment, payment or health care operation functions.
All other uses and releases of your health records not described will be made only with your written consent. You may cancel consent at any time. The request to cancel consent must be in writing. Your request to cancel consent will take effect as soon as you request it except in two cases. The first case is when we have already taken actions based on past consent. The second case is before we received your written request to stop.

**Member Rights:**

Below are your rights with regard to your health records. If you would like to use any of the rights, please contact us using the information provided at the end of this notice.

- **Right to Revoke.** You may revoke your consent to have your PHI released at any time. It must be in writing. It must be signed by you or on your behalf. It must be sent to the address at the end of this notice. You may submit your letter either by mail or in person. It will be effective when we actually received it. The revoked consent will not be effective if we or others have already acted on the signed form.

- **Request Restrictions.** You have the right to ask for limits on the use and release of your PHI for treatment, payment or health care operations as well as releases to persons involved in your care or payment of your care. This includes family members or close friends. Your request should be detailed and exact. It should also say to whom the limit applies. We are not required to agree to this request. If we agree, we will comply with your limit request. We will not comply if the information is needed to provide you with emergency treatment. However, we will limit the use or release of health records for payment or health care operations to a health plan when you have paid for the service or item out-of-pocket in full.

- **Right to Request Confidential Communications.** You have the right to ask that we communicate with you about your health records in other ways or locations. This right only applies if the information could harm you if it is not communicated in other ways or place. You do not have to explain the reason for your request. You must state how you could be harmed if the change is not made. We must work with your request if it is reasonable and states the other way or place where your health records should be sent.

- **Right to Access and Receive a Copy of your Health Records.** You have the right, with certain limits, to look at or get copies of your health records contained in a record set. You may ask that we give copies in a format other than photocopies. If it is possible, we will use the format of your choice. You must ask in writing to get access to your health records. If we deny your request, we will provide you a written reason. We will tell you if the reasons for the denial can be reviewed. We will also let you know how to ask for a review, or if the denial cannot be reviewed.

- **Right to Change your Health Records.** You have the right to ask us to make changes to correct health records we keep about you. These changes are known as amendments. Any request for an amendment must be in writing. You need to give a reason for your change request. We will contact you in
writing no later than 60 days after we get your request. If we need more time, we may take up to another 30 days. We will let you know of any delays and the date when we will get back to you.

If we make the changes, we will let you know they were made. We will also give your changes to others who we know have your health records and to other persons you name. If we choose not to make your changes, we will let you know why in writing. You have a right to dispute the denied change request in writing.

- **Right to Receive an Accounting of Disclosures.** You have the right to receive a list of instances within the last six (6) years in which we or our business associates released your PHI. This does not apply to the release for purposes of treatment, payment, health care operations, or disclosures you authorized and certain other events. If you request this accounting more than once in a 12-month period, we may charge you a reasonable, cost-based fee for responding to these additional requests. We will provide you with more details on our fees at the time of your request.

- **Right to File a Complaint.** If you feel your privacy rights have been violated, or that we have violated our own privacy practices, you can file a complaint with us in writing or by phone. Use the contact information at the end of this notice. You will not be retaliated against for filing a complaint.

You can also file a complaint with the Secretary of the U.S. Department of Health and Human services Office for Civil Rights by sending a letter to 200 Independence Ave. SW, Washington, D.C. 20201, or calling 1-800-368-1019, (TTY 1-866-788-4989), or visiting www.hhs.gov/ocr/privacy/hipaa/complaints/.

**WE WILL NOT TAKE ANY ACTION AGAINST YOU FOR FILING A COMPLAINT.**

- **Right to Receive a Copy of our Privacy Practice.** You may ask for a copy at any time. Use the contact information listed below. If you get our Privacy Practice on our website or by email, you can request a paper copy of the notice.

**Contact Information:**

If you have any questions about our Privacy Practices related to your health records, or how to use your rights, you can contact us in writing. You can also contact us by phone. Use the contact information listed below.

Sunshine Health  
Attn: Privacy Official  
1301 International Pkwy, 4th Floor  
Sunrise, FL 33323  
TEL: 1-866-796-0530  
TDD/TTY: 1-800-955-8770
Section 3: Getting Help from Member Services

Our Member Services department can answer all of your questions. We can help you choose or change your Primary Care Provider (PCP for short), find out if a service is covered, get referrals, find a provider, replace a lost ID card, report the birth of a baby and explain any changes that might affect you or your family’s benefits.

Contacting Member Services

You may call us at 1-866-796-0530, or TTY at 1-800-955-8770, Monday through Friday, 8 a.m. to 8 p.m., but not on state approved holidays (like Christmas Day and Thanksgiving Day). When you call, make sure you have your identification card (ID card) with you so we can help you. (If you lose your ID card, or if it is stolen, call Member Services.)

Contacting Member Services after Hours

If you call when we are closed, please leave a message. We will call you back the next business day. If you have an urgent question, you may call our 24-hour Nurse Advice Line at 1-866-796-0530. Our nurses are available to help you 24 hours a day, seven days a week.

Section 4: Do You Need Help Communicating?

If you do not speak English, we can help. We have people who help us talk with you in your language. We provide this help at no charge to you.

For people with disabilities: If you use a wheelchair, or are blind, or have trouble hearing or understanding, call us if you need extra help. We can tell you if a provider’s office is wheelchair accessible or has devices for communication. Also, we have services like:

- Telecommunications Relay Service. This helps people who have trouble hearing or talking to make phone calls. Call 711 and give them our Member Services phone number. It is 1-866-796-0530. They will connect you to us.
- Information and materials in large print, audio (sound) and braille.
- Help in making or getting to appointments.
- Names and addresses of providers who specialize in your disability.

All of these services are provided free to you.
Section 5: When Your Information Changes

If any of your personal information changes, let us know as soon as possible. You can do so by calling Member Services. We need to be able to reach you about your health care needs.

The Department of Children and Families (DCF) needs to know when your name, address, county or telephone number changes as well. Call DCF toll free at 1-866-762-2237 (TTY 1-800-955-8771) Monday through Friday from 8 a.m. to 5:30 p.m. You can also go online and make the changes in your Automated Community Connection to Economic Self Sufficiency (ACCESS) account at https://dcf-access.dcf.state.fl.us/access/index.do. You may also contact the Social Security Administration (SSA) to report changes. Call SSA toll free at 1-800-772-1213 (TTY 1-800-325-0778), Monday through Friday from 7 a.m. to 7 p.m. You may also contact your local Social Security office or go online and make changes in your Social Security account at https://secure.ssa.gov/RIL/SiView.do.

Section 6: Your Medicaid Eligibility

In order for you to go to your health care appointments and for Sunshine Health to pay for your services, you have to be covered by Medicaid and enrolled in our plan. This is called having Medicaid eligibility. DCF decides if someone qualifies for Medicaid.

Sometimes things in your life might change, and these changes can affect whether or not you can still have Medicaid. It is very important to make sure that you have Medicaid before you go to any appointments. Just because you have a Plan ID card does not mean that you still have Medicaid. Do not worry! If you think your Medicaid has changed or if you have any questions about your Medicaid, call Member Services and we can help you check on it.

If You Lose Your Medicaid Eligibility

If you lose your Medicaid eligibility and get it back within 180 days, you will be enrolled back into our plan.

If You Have Medicare

If you have Medicare, continue to use your Medicare ID card when you need medical services (like going to the doctor or the hospital), but also give the provider your Medicaid Plan ID card too.

If You Are Having a Baby

If you have a baby, he or she will be covered by us on the date of birth. Call Member Services to let us know that your baby has arrived and we will help make sure your baby is covered and has Medicaid right away.

Questions? Call Member Services at 1-866-796-0530 or TTY at 1-800-955-8770
It is helpful if you let us know that you are pregnant **before** your baby is born to make sure that your baby has Medicaid. Call DCF toll free at 1-866-762-2237 while you are pregnant. If you need help talking with DCF, call us. DCF will make sure your baby has Medicaid from the day he or she is born. They will give you a Medicaid number for your baby. Let us know the baby’s Medicaid number when you get it.

Please let us know you are pregnant right away so that we can help you get all needed prenatal care to protect your health and your baby’s. You can do this by calling Member Services. A representative can help you fill out a Notice of Pregnancy Form. You can also find this form in Section 20 of this Handbook.

If you are pregnant, let us know right away.
Section 7: Enrollment in Our Plan

When you first join our plan, you have 120 days to try our plan. If you do not like it for any reason, you can enroll in another SMMC plan in this region. Once those 120 days are over, you are enrolled in our plan for the rest of the year. This is called being lock-in to a plan. After being in our plan for one year, you can choose to stay with us or select another plan. This happens every year you have Medicaid and are in the SMMC program.

Open Enrollment

Open enrollment is a period that starts 60 days before the end of your year in our plan. The State’s Enrollment Broker will send you a letter letting you know that you can change plans if you want. This is called your Open Enrollment period. You do not have to change plans. If you leave our plan and enroll in a new one, you will start with your new plan at the end of your year in our plan. Once you are enrolled in the new plan, you will have another 60 days to decide if you want to stay in that plan or change to a new one before you are locked-in for the year. You can call the Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970).

Enrollment in the SMMC Long-term Care Program

The SMMC Long-term Care (LTC) program provides nursing facility services and home and community-based care to elders and adults (ages 18 years and older) with disabilities. Home and community-based services help people stay in their homes, with services like help with bathing, dressing and eating; help with chores; help with shopping; or supervision.

We pay for services that are provided at the nursing facility. If you live in a Medicaid nursing facility full time, you are probably already in the LTC program. If you don’t know, or don’t think you are enrolled in the LTC program, call Member Services. We can help you.

The LTC program also provides help for people living in their home. But space is limited for these in-home services, so before you can receive these services, you have to speak with someone who will ask you questions about your health. This is called a screening. The Department of Elder Affairs’ Aging and Disability Resource Centers (ADRC) complete these screenings. Once the screening is complete, your name will go on a waiting list. When you get to the top of the waiting list, the Department of Elder Affairs Comprehensive Assessment and Review for Long-term Care Services (CARES) program will ask you to provide more information about yourself to make sure you meet other medical criteria to receive services from the LTC program. Once you are enrolled in the LTC program, we will make sure you continue to meet requirements for the program each year.
You can find the phone number for your local ADRC using the following map. They can also help answer any other questions that you have about the LTC program.

*County coloring represents area served by the corresponding Area Agency on Aging.*
Section 8: Leaving Our Plan (Disenrollment)

Leaving a plan is called **disenrolling**. If you want to leave our plan while you are locked-in, you have to call the State’s Enrollment Broker. By law, people cannot leave or change plans while they are locked-in except for very special reasons. The Enrollment Broker will talk with you about why you want to leave the plan. The Enrollment Broker will also let you know if the reason you stated allows you to change plans.

You can leave our plan at any time for the following reasons (also known as **Good Cause Disenrollment** reasons):

- You are getting care at this time from a provider that is not part of our plan but is a part of another plan
- We do not cover a service for moral or religious reasons
- You are an American Indian or Alaskan Native
- You live in and get your LTC services from an assisted living facility, adult family care home, or nursing facility provider that was in our network but is no longer in our network

You can also leave our plan for the following reasons, if you have completed our grievance and appeal process:

- You receive poor quality of care, and the Agency agrees with you after they have looked at your medical records
- You cannot get the services you need through our plan, but you can get the services you need through another plan
- Your services were delayed without a good reason

If you have any questions about whether you can change plans, call Member Services or the State’s Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970).

Removal from Our Plan (Involuntary Disenrollment)

The Agency can remove you from our plan (and sometimes the SMMC program entirely) for certain reasons. This is called **involuntary disenrollment**. These reasons include:

- You lose your Medicaid
- You move outside of where we operate, or outside the State of Florida
- You knowingly use your Plan ID card incorrectly or let someone else use your Plan ID card

---

2 To learn how to ask for an appeal, please turn to Section 15, Member Satisfaction, on Page 73.
• You fake or forge prescriptions
• You or your caregivers behave in a way that makes it hard for us to provide you with care
• You are in the LTC program and live in an assisted living facility or adult family care home that is not home-like and you will not move into a facility that is home-like.\(^3\)

If the Agency removes you from our plan because you broke the law or for your behavior, you cannot come back to the SMMC program.

**Section 9: Managing Your Care**

If you have a medical condition or illness that requires extra support and coordination, we may assign a case manager to work with you. Your case manager will help you get the services you need. The case manager will work with your other providers to manage your health care. If we provide you with a case manager and you do not want one, call Member Services to let us know.

If you are in the LTC program, we will assign you a case manager. You must have a case manager if you are in the LTC program. Your case manager is your go-to person and is responsible for coordinating your care. This means that they are the person who will help you figure out what LTC services you need and how to get them.

If you have a problem with your care, or something in your life changes, let your case manager know and they will help you decide if your services need to change to better support you.

**Changing Case Managers**

If you want to choose a different case manager, call Member Services. There may be times when we will have to change your case manager. If we need to do this, we will send a letter to let you know.

**Important Things to Tell Your Case Manager**

If something changes in your life or you don’t like a service or provider, let your case manager know. You should tell your case manager if:

- You don’t like a service
- You have concerns about a service provider
- Your services aren’t right
- You get new health insurance
- You go to the hospital or emergency room
- Your caregiver can’t help you anymore

---

\(^3\) This is for Long-term Care program members only. If you have questions about you facility’s compliance with this federal requirement, please call Member Services or your case manager.
• Your living situation changes
• Your name, telephone number, address or county changes

Section 10: Accessing Services

Before you get a service or go to a health care appointment, we have to make sure that you need the service and that it is medically right for you. This is called prior authorization. To do this, we look at your medical history and information from your doctor or other health care providers. Then we will decide if that service can help you. We use rules from the Agency to make these decisions.

Providers in Our Plan

For the most part, you must use doctors, hospitals and other health care providers that are in our provider network. Our provider network is the group of doctors, therapists, hospitals, facilities and other health care providers that we work with. You can choose from any provider in our provider network. This is called your freedom of choice. If you use a health care provider that is not in our network, you may have to pay for that appointment or service.

You will find a list of providers that are in our network in our provider directory. If you want a copy of the provider directory, call 1-866-796-0530 to get a copy or visit our website at SunshineHealth.com.

If you are in the LTC program, your case manager is the person who will help you choose a service provider for each of your services. Once you choose a service provider, they will contact them to begin your services. This is how services are approved in the LTC program. Your case manager will work with you, your family, your caregivers, your doctors and other providers to make sure that your LTC services work with your medical care and other parts of your life.

Providers Not in Our Plan

There are some services that you can get from providers who are not in our provider network. These services are:

• Family planning services and supplies
• Women’s preventative health services, such as breast exams, screenings for cervical cancer and prenatal care
• Treatment of sexually transmitted diseases
• Emergency care

If we cannot find a provider in our provider network for these services, we will help you find another provider that is not in our network. Remember to check with us first before you use a provider that is not in our provider network. If you have questions, call Member Services.
Dental Services

Your dental plan will cover most of your dental services, but some dental services may be covered by your medical plan. The table below will help you to decide which plan pays for a service.

<table>
<thead>
<tr>
<th>Type of Dental Service(s)</th>
<th>Dental Plan Covers</th>
<th>Medical Plan Covers</th>
</tr>
</thead>
<tbody>

<tr>
<td>Prescription drugs for a dental visit or problem</td>
<td>Not covered</td>
<td>Covered</td>
</tr>
<tr>
<td>Transportation to your dental service or appointment</td>
<td>Not covered</td>
<td>Covered</td>
</tr>
</tbody>
</table>

What Do I Have To Pay For?

You may have to pay for appointments or services that are not covered. A covered service is a service that we have to provide in the Medicaid program. All of the services listed in this handbook are covered services. Remember, just because a service is covered does not mean that you will need it. You may have to pay for services if we did not approve it first.

If you get a bill from a provider, call Member Services. Do not pay the bill until you have spoken to us. We will help you.

Services for Children

We must provide all medically necessary services for our members who are ages 0 – 20 years old. This is the law. This is true even if we do not cover a service or the service has a limit. As long as your child’s services are medically necessary, services have:

- No dollar limits
- No time limits, like hourly or daily limits

Your provider may need to ask us for approval before giving your child the service. Call Member Services if you want to know how to ask for these services.

---

4 Also known as “Early and Periodic Screening, Diagnosis and Treatment” or “EPSDT” requirements.
Moral or Religious Objections

If we do not cover a service because of a religious or moral reason, we will tell you that the service is not covered. In these cases, you must call the State’s Enrollment Broker at 1-877-711-3662 (TDD 1-866-467-4970). The Enrollment Broker will help you find a provider for these services.

Section 11: Helpful Information About Your Benefits

Choosing a Primary Care Provider (PCP)

If you have Medicare, please contact the number on your Medicare ID card for information about your PCP.

One of the first things you will need to do when you enroll in our plan is choose a PCP. This can be a doctor, nurse practitioner, or a physician assistant. You will see your PCP for regular check-ups, shots (immunizations), or when you are sick. Your PCP will also help you get care from other providers or specialists. This is called a referral. You can choose your PCP by calling Member Services.

You can choose a different PCP for each family member or you can choose one PCP for the entire family. If you do not choose a PCP, we will assign a PCP for you and your family.

You can change your PCP at any time. To change your PCP, call Member Services.

Choosing a PCP for Your Child

You can pick a PCP for your baby before your baby is born. We can help you with this by calling Member Services. If you do not pick a doctor by the time your baby is born, we will pick one for you. If you want to change your baby’s doctor, call us.

It is important that you select a PCP for your child to make sure they get their well child visits each year. Well child visits are for children 0 – 20 years old. These visits are regular check-ups that help you and your child’s PCP know what is going on with your child and how they are growing. Your child may also receive shots (immunizations) at these visits. These visits can help find problems and keep your child healthy.5

5 For more information about the screenings and assessments that are recommended for children, please refer to the “Recommendations for Preventative Pediatric Health Care – Periodicity Schedule” at www.aap.org.
You can take your child to a pediatrician, family practice provider or other health care provider.

You do not need a referral for well child visits. There is no charge for well child visits.

**Specialist Care and Referrals**

Sometimes, you may need to see a provider other than your PCP for medical problems like special conditions, injuries or illnesses. Talk to your PCP first. Your PCP will refer you to a **specialist**. A specialist is a provider who works in one health care area.

If you have a case manager, make sure you tell your case manager about your **referrals**. The case manager will work with the specialist to get you care.

**Second Opinions**

You have the right to get a **second opinion** about your care. This means talking with a different provider to see what they have to say about your care. The second provider will give you their point of view. This may help you decide if certain services or treatments are best for you. There is no cost to you to get a second opinion.

Your PCP, case manager or Member Services can help find a provider to give you a second opinion. You can pick any of our providers. If you are unable to find a provider with us, we will help you find a provider that is not in our provider network. If you need to see a provider that is not in our provider network for the second opinion, we must approve it before you see them.

**Urgent Care**

Urgent Care is not Emergency Care. Urgent Care is needed when you have an injury or illness that must be treated within 48 hours. Your health or life is not usually in danger, but you cannot wait to see your PCP or it is after your PCP’s office has closed.

If you need Urgent Care after office hours and you cannot reach your PCP, call our 24-hour Nurse Advice Line at 1-866-796-0530. You will be connected to a nurse. Have your Sunshine Health ID card number handy. The nurse may help you over the phone or direct you to other care. You may have to give the nurse your phone number. During normal office hours, the nurse will assist you in contacting your PCP.

You may also find the closest Urgent Care center to you by calling Member Services at 1-866-796-0530 or visiting our website at [SunshineHealth.com](http://SunshineHealth.com) and clicking “Find a Provider.”

**Hospital Care**

If you need to go to the hospital for an appointment, surgery or overnight stay, your PCP will set it up. We must approve services in the hospital before you go, except for
emergencies. We will not pay for hospital services unless we approve them ahead of time or it is an emergency.

If you have a case manager, they will work with you and your provider to put services in place when you go home from the hospital.

**Emergency Care**

You have a medical emergency when you are so sick or hurt that your life or health is in danger if you do not get medical help right away. Some examples are:

- Broken bones
- Bleeding that will not stop
- You are pregnant, in labor and/or bleeding
- Trouble breathing
- Suddenly unable to see, move or talk

Emergency services are those services that you get when you are very ill or injured. These services try to keep you alive or to keep you from getting worse. They are usually delivered in an emergency room.

*If your condition is severe, call 911 or go to the closest emergency facility right away. You can go to any hospital or emergency facility.* If you are not sure if it is an emergency, call your PCP. Your PCP will tell you what to do.

The hospital or facility does not need to be part of our provider network or in our service area. You also do not need to get approval ahead of time to get emergency care or for the services that you receive in an emergency room to treat your condition.

If you have an emergency when you are away from home, get the medical care you need. Be sure to call Member Services when you are able and let us know.

**Provider Standards for PCP and Specialist Appointment Scheduling**

<table>
<thead>
<tr>
<th>PCP Appointment Type</th>

**Filling Prescriptions**

We cover a full range of prescription medications. We have a list of drugs that we cover. This list is called our **Formulary**. You can find this list on our website at [https://www.sunshinehealth.com/members/medicaid/benefits-services/pharmacy.html](https://www.sunshinehealth.com/members/medicaid/benefits-services/pharmacy.html) or by calling Member Services.

We cover **brand name** and **generic** drugs. Generic drugs have the same ingredients as brand name drugs, but they are often cheaper than brand name drugs. They work the same. Sometimes, we may need to approve using a brand name drug before your prescription is filled.

We have pharmacies in our provider network. You can fill your prescription at any pharmacy that is in our provider network. Make sure to bring your Plan ID card with you to the pharmacy.
The list of covered drugs may change from time to time, but we will let you know if anything changes.

**Specialty Pharmacy Information**

Some drugs are not available at a local pharmacy. These drugs are supplied by a specialty pharmacy provider. These drugs may need prior approval before your prescription can be filled. The pharmacy will tell your doctor if the drugs have to be supplied by a specialty pharmacy and if you need a prior approval.

Sunshine Health partners with AcariaHealth/Envolve Pharmacy Solution, Inc. to provide specialty drugs. These are drugs that treat complex conditions. They require extra support to make sure they are used correctly. If you want a different specialty pharmacy, tell us. We will review your request. Fill out the Specialty Pharmacy Change Request Form in Section 20 of this Handbook and return it. We will let you know if it is approved.

If you have questions about any of the pharmacy services or need help with this form, call Member Services at 1-866-796-0530.

**Behavioral Health Services**

There are times when you may need to speak to a therapist or counselor if you are having any of the following feelings or problems:

- Always feeling sad
- Not wanting to do the things that you used to enjoy
- Feeling worthless
- Having trouble sleeping
- Not feeling like eating
- Alcohol or drug abuse
- Trouble in your marriage
- Parenting concerns

We cover many different types of behavioral health services that can help with issues you may be facing. You can call a behavioral health provider for an appointment. You can get help finding a behavioral health provider by:

- Calling 1-866-796-0530
- Looking at our provider directory
- Going to our website at [SunshineHealth.com](http://SunshineHealth.com)

Someone is there to help you 24 hours a day, seven days a week.

You do not need a referral from your PCP for behavioral health services.

**If you are thinking about hurting yourself or someone else, call 911.** You can also go to the nearest emergency room or crisis stabilization center, even if it is out of our service area. Once you are in a safe place, call your PCP if you can. Follow up with your provider within 24-48 hours. If you get emergency care outside of the service area, we will make plans to transfer you to a hospital or provider that is in our plan’s network once you are stable.
**Member Reward Programs**

We offer programs to help keep you healthy and to help you live a healthier life (like losing weight or quitting smoking). We call these **healthy behavior programs**. You can earn rewards while participating in these programs. Our plan offers the following programs:

<table>
<thead>
<tr>
<th>Reward</th>
<th>Reward Value</th>
<th>Limitations</th>
</tr>
</thead>
</table>
| Well Child Visits in First 15 Months        | $50          | • Ages birth to 15 months.   
• All six visits must be completed.   
• Visit must be with a PCP.            |
| Preventive Well Child PCP Visits            | $10          | • Ages 2 to 20.   
• Only one reward for this service per calendar year.                                                      |
| Preventive Adult Primary Care Visit         | $10          | • Age 21 and older.   
• Visit must be with PCP.   
• Only one reward for this service per calendar year.                                                          |
| Cervical Cancer Screening                   | $10          | • Females ages 21 to 64.   
• Only one reward for this service per calendar year.                                                                |
| Breast Cancer Screening                     | $10          | • Females ages 50 to 69.   
• Only one reward for this service per calendar year.                                                                |
| Diabetic Screenings                         | $40          | • Members with diabetes.   
• All three services must be completed within same calendar year.                                                   
• Only one reward for this service per calendar year.                                                               |

**How it works:** Earning rewards is easy! When you make certain healthy choices, reward dollars will automatically be put on your rewards card. The rewards are added approximately two weeks after we receive the claim from your provider for the healthy behavior you’ve completed. If it’s your first reward, a card will be mailed to you.
Please remember that rewards cannot be transferred. If you leave our plan for more than 180 days, you may not receive your reward. If you have questions or want to join any of these programs, please call us at 1-866-796-0530, or visit SunshineHealth.com.

**Disease Management Programs**

Not all members need case management. Sunshine Health has several programs to improve the health of our members with chronic conditions. We know this means more than just helping you to see a doctor. It means helping you understand and manage your health conditions. We do this through our disease management programs. Members are provided education and personal help from Sunshine Health staff. The goal of this service is to add to the quality of your care and help you to improve your health.

If you have one of the conditions below, call Member Services for information:

- Asthma
- Cancer
- Chronic Obstructive Pulmonary Disease (COPD)
- Depression
- Diabetes
- Heart Failure
- HIV/AIDS
- Hypertension
- Substance Abuse Disorder

All of our programs are geared toward helping you understand and actively manage your health. We are here to help you with things like:

- How to take medicines
- What screening tests to get
- When to call your doctor
- When to go to the Emergency Room

We will help you get the things you need. We will provide tools to help you learn and take control of your condition. For more information, call Member Services at 1-866-796-0530, and ask to speak with a case manager.

If you are in the LTC program, we also offer programs for Dementia and Alzheimer’s issues.
Sunshine Health's Alzheimer’s & Dementia program focuses on LTC members diagnosed with these conditions. We will work with you to create a person-centered care plan that includes goals and interventions to address your needs.

This program is based on personal care planning and a cohesive team approach. It provides education and resources to promote member choice and improve your understanding of services and supports available to you.

**Advance Directives**

Advance Directives are written instructions about the health care you want to receive if you are unable to speak for yourself. Any Sunshine Health member 18 years or older can make an advance directive to accept or refuse medical or surgical treatment or withhold or remove life-giving care in the event of a terminal condition. This also includes planning treatment before you need it.

You can call Member Services if you have questions or to ask for a copy of our policy. The number is 1-866-796-0530, or talk with your PCP if you have any questions. Call them if you need help in finding the form. Once finished, ask your PCP to put the form in your file. You can make changes to your directive when you want to. If the law changes, we will let you know within 90 days of any change.

If your directive is not being followed, you can call the state’s complaint line at 1-888-419-3456.

Together, you and your PCP can make decisions that will set your mind at ease. It can help your doctors understand your wishes about your health. Advance Directives will not take away your right to make your own decisions. They will work only when you are unable to speak for yourself. You will not be treated differently for not having an Advance Directive. Sunshine Health does not limit the implementation of Advance Directives as a matter of conscience.

Examples of Advance Directives include:

- Living Will
- Health Care Power of Attorney
- “Do Not Resuscitate” Orders

**Quality Enhancement Programs**

We want you to get quality health care. We offer additional programs that help make the care you receive better. The programs are described on the following pages.
Well Child Visits

Children and young people need to see their doctor regularly even when they are not sick. This chart shows when babies, children and young adults need to see their doctor for a preventive health check. We don’t want your child to miss any key steps toward good health as they grow.

**Dental Exam**

- Every six months

Doctors and nurses will examine your child or teenager. They will give shots for diseases when necessary. Shots are important to keep your child healthy. They will also ask questions about health problems and tell you what to do to stay healthy. If there is a problem found during the checkup, your doctor can send you to a specialist. To schedule a Well Child Visit, call your doctor. If you have problems getting a visit, please call Member Services at 1-866-796-0530.

**Domestic Violence**

If you are facing abuse or suffered abuse in the past, please talk to your doctor or your case manager to find a local program in your community to get help in a safe and private setting.

**Pregnancy Prevention**

Sunshine Health’s pregnancy prevention program brings together existing community programs to talk to members. Doctors team up with these programs to give more facts around pregnancy, sexual transmitted diseases and contraceptive methods. Some of the organizations Sunshine Health partners with are Duval County Health Department, Catholic Charities, Planned Parenthood, Healthy Start, Oasis Pregnancy Center, Hope for Miami, Project U-Turn and Plan Be Trinity Church Teen Pregnancy Prevention Program. If you want help with pregnancy prevention, your doctor or your case manager can help you find a local program in your community.
Pregnancy Related Programs

Start Smart for Your Baby (Start Smart) is our special program for women who are pregnant. Sunshine Health wants to help you take care of yourself and your baby through your whole pregnancy. Information can be provided to you by mail, telephone and through the Start Smart website, [https://www.startsmartforyourbaby.com/](https://www.startsmartforyourbaby.com/). Our Start Smart staff can answer questions and give you support if you are having a problem. We can even arrange for a home visit if needed.

If you are pregnant and smoke cigarettes, Sunshine Health can help you stop smoking. We have a special stop smoking program for pregnant women. There is no cost to you. The program has trained staff who are ready to work with you. They will provide education, counseling and the support you need to help you quit smoking. Working as a team over the telephone, you and your health coach can make a plan to make changes in your behavior and lifestyle. These coaches will encourage and help you to stop smoking.

We have many ways to help you have a healthy pregnancy. Before we can help, we need to know you are pregnant. Please call Member Services at 1-866-796-0530 as soon as you learn you are pregnant. We will help you set up the special care that you and your baby need. Sunshine Health does not restrict services including counseling or referrals for moral or religious objections.

Healthy Start Partnerships

Sunshine Health has teamed up with Healthy Start Coalitions to help pregnant members set up services. Our Healthy Start partners can speak with you in your community and help with prenatal care. This program educates and supports pregnant members who are at risk to have difficult births. We will explain the role of prenatal visits to the health of your baby, help with making your appointments and link you with agencies, like Healthy Start and WIC, while making more community referrals. Our maternity case managers will work with you at the start of your pregnancy until after you give birth. If you need help with your pregnancy, please let your doctor or case manager know to begin this program.

Nutritional Assessment and Counseling

Sunshine Health wants to help you and your family eat healthy. We can help find local food pantries, markets and food programs near you. If you need help with food, tell your doctor. With your doctor, you will be able to make a plan for a better diet and get help with referrals to local WIC offices, if needed. You will get a copy of the referrals, diet and nutrition plans you make with the Healthy Start nutritionist. Then, a case manager will follow up with you to assist with any issues you have and help you find more local resources to help you get the services needed to follow your plan, even if the services are outside of what Medicaid covers.
Behavioral Health

Sunshine Health case managers can help find local mental health services and community resources to lower your risk of going to the hospital or getting involved with the justice system due to your mental health. By telling your case manager your need for this help, your case manager can explain future risk of you and/or your child’s role with the justice system by asking you questions about risky behaviors. Your case manager will also help find shelters, food and other needs that may be adding to your risky behaviors. If needed, the case manager will make referrals and help schedule appointments with local providers to help decrease risky behaviors and get the help needed.

You also have a right to tell us about changes you think we should make.

To get more information about our quality enhancement program or to give us your ideas, call Member Services at 1-866-796-0530.
Section 12: Your Plan Benefits:  
Managed Medical Assistance Services

The table on the next page lists the medical services that are covered by our Plan. Remember, you may need a referral from your PCP or approval from us before you go to an appointment or use a service. Services must be medically necessary in order for us to pay for them\(^6\).

There may be some services that we do not cover, but might still be covered by Medicaid. To find out about these benefits, call the Agency Medicaid Help Line at 1-877-254-1055. If you need a ride to any of these services, we can help you. You can call 1-877-659-8420 to schedule a ride.

If there are changes in covered services or other changes that will affect you, we will notify you in writing at least 30 days before the effective date of the change.

If you have questions about any of the covered medical services, please call Member Services.

**NOTE:** Services highlighted are behavioral health in lieu of services. This means they are optional services you can choose over more traditional services based on your individual needs.

Except for emergency care, Sunshine Health must prior authorize any services provided by an out-of-network provider and any elective inpatient admissions.

---

\(^6\) You can find the definition for Medical Necessity at

<td>Yes</td>
</tr>
</tbody>
</table>
The Plan will not charge a copayment. Also, there will be no cost sharing for all covered services. This includes enhanced benefits.

Section 13: Long-term Care Program Helpful Information

(Read this section if you are in the LTC program. If you are not in the LTC program, skip to Section 15)

Starting Services

It is important that we learn about you so we can make sure you get the care that you need. Your case manager will set up a time to come to your home or nursing facility to meet you.

At this first visit, your case manager will tell you about the LTC program and our Plan. She or he will also ask you questions about your health, how you take care of yourself, how you spend your time, who helps take care of you and other things. These questions make up your initial assessment. The initial assessment helps us learn about what you need to live safely in your home. It also helps us decide what services will help you the most.

Developing a Plan of Care

Before you can begin to get services under the LTC program, you have to have a person-centered plan of care (plan of care). Your case manager makes your plan of care. Your plan of care is the document that tells you all about the services you get.
from our LTC program. Your case manager will talk to you and any family members or caregivers you want to include to decide what LTC services will help. They will use the initial assessment and other information to make a plan that is just for you. Your plan of care will tell you:

- What services you are getting
- Who is providing your service (your service providers)
- How often you get a service
- When a service starts and when it ends (if it has an end date)
- What your services are trying to help you do. For example, if you need help doing small chores around your house, your plan of care will tell you that an adult companion care provider comes two days a week to help with your chores.
- How your LTC services work with other services you get from outside our Plan, such as from Medicare, your church or other federal programs
- Your personal goals

We don't just want to make sure that you are living safely. We also want to make sure that you are happy and feel connected to your community and other people. When your case manager is making your plan of care, they will ask you about any personal goals you might have. These can be anything, really, but we want to make sure that your LTC services help you accomplish your goals. Some examples of personal goals include:

- Walking for 10 minutes every day
- Calling a loved one once a week
- Going to the senior center once a week
- Moving from a nursing facility to an assisted living facility

You or your authorized representative (someone you trust who is allowed to talk with us about your care) must sign your plan of care. This is how you show you agree with the Plan and the services we decided.

Your case manager will send your PCP a copy of your plan of care. They will also share it with your other health care providers.

**Updating your Plan of Care**

Every month your case manager will call you to see how your services are going and how you are doing. If any changes are made, she or he will update your plan of care and get you a new copy.

Your case manager will come to see you in person to review your plan of care every three months. This is a good time to talk with them about your services, what is working and isn’t working for you, and how your goals are going. They will update your plan of care with any changes. Every time your plan of care changes, you or your authorized representative must sign it.

Questions? Call Member Services at 1-866-796-0530 or TTY at 1-800-955-8770
Remember, you can call your case manager any time to talk about problems you have, changes in your life, or other things. Your case manager is available to you when you need them.

**Your Back-Up Plan**

Your case manager will help you make a back-up plan. A back-up plan tells you what to do if a service provider does not show up to give a service. For example, your home health aide did not come to give you a bath.

Remember, if you have any problems getting your services, call your case manager.

---

**Section 14: Your Plan Benefits: Long-term Care Services**

The table below lists the long-term care services covered by our Plan. Remember, services must be medically necessary in order for us to pay for them.

If there are changes in covered services or other changes that will affect you, we will notify you in writing at least 30 days before the effective date of the change.

If you have any questions about any of the covered long-term care services, please call your case manager or Member Services.

**NOTE:** Services highlighted are behavioral health in lieu of services. This means they are optional services you can choose over more traditional services based on your individual needs.

**Long-term Care Participant Direction Option**

You may be offered the Participant Direction Option (PDO). You can use PDO if you use any of these services and live in your home:

- Attendant care services
- Homemaker services
• Personal care services
• Adult companion care services
• Intermittent and skilled nursing care services

PDO lets you **self-direct** your services. This means you get to choose your service provider and how and when you get your service. You have to hire, train and supervise the people who work for you (your direct service workers).

You can hire family members, neighbors or friends. You will work with a case manager who can help you with PDO.

If you are interested in PDO, ask your case manager for more details. You can also ask for a copy of the PDO Guidelines to read and help you decide if this option is the right choice for you.

---

**Your Plan Benefits: LTC Expanded Benefits**

Expanded benefits are extra services we provide to you at no cost. Talk to your case manager about getting expanded benefits.

</tbody>
</table>
Fast Plan Appeal

If we deny your request for a fast appeal, we will transfer your appeal into the regular appeal time frame of 30 days. If you disagree with our decision not to give you a fast appeal, you can call us to file a grievance.

Medicaid Fair Hearings (for Medicaid Members)

You may ask for a fair hearing at any time up to 120 days after you get a Notice of Plan Appeal Resolution by calling or writing to:

Agency for Health Care Administration
Medicaid Fair Hearing Unit
P.O. Box 60127
Ft. Meyers, FL 33906
1-877-254-1055 (toll-free)
1-239-338-2642 (fax)
MedicaidFairHearingUnit@ahca.myflorida.com

If you request a fair hearing in writing, please include the following information:

- Your name
- Your member number
- Your Medicaid ID number
- A phone number where you or your representative can be reached

You may also include the following information, if you have it:

- Why you think the decision should be changed
- Any medical information to support the request
- Who you would like to help with your fair hearing

After getting your fair hearing request, the Agency will tell you in writing that they got your fair hearing request. A hearing officer who works for the State will review the decision we made.

If you are a Title XXI MediKids member, you are not allowed to have a Medicaid Fair Hearing.

Review by the State (for MediKids Members)

When you ask for a review, a hearing officer who works for the State reviews the decision made during the Plan appeal. You may ask for a review by the State any time up to 30 days after you get the notice. **You must finish your appeal process first.**
You may ask for a review by the State by calling or writing to:

Agency for Health Care Administration  
P.O. Box 60127  
Ft. Myers, FL 33906  
1-877 254-1055 (toll-free)  
1-239-338-2642 (fax)  
MedicaidHearingUnit@ahca.myflorida.com

After getting your request, the Agency will tell you in writing that they got your request.

**Continuation of Benefits for Medicaid Members**

If you are now getting a service that is going to be reduced, suspended or terminated, you have the right to keep getting those services until a final decision is made for your **Plan appeal or Medicaid fair hearing**. If your services are continued, there will be no change in your services until a final decision is made.

If your services are continued and our decision is not in your favor, we may ask that you pay for the cost of those services. We will not take away your Medicaid benefits. We cannot ask your family or legal representative to pay for the services.

To have your services continue during your appeal or fair hearing, you must file your appeal and ask to continue services within this timeframe, whichever is later:

- 10 days after you receive a Notice of Adverse Benefits Determination (NABD), or
- On or before the first day that your services will be reduced, suspended or terminated

---

**Section 16: Your Member Rights**

As a recipient of Medicaid and a member in a Plan, you also have certain rights. You have the right to:

- Be treated with courtesy and respect
- Have your dignity and privacy respected at all times
- Receive a quick and useful response to your questions and requests
- Know who is providing medical services and who is responsible for your care
- Know what member services are available, including whether an interpreter is available if you do not speak English
- Know what rules and laws apply to your conduct
- Be given information about your diagnosis, the treatment you need, choices of treatments, risks and how these treatments will help you
- Say no any treatment, except as otherwise provided by law
- Be given full information about other ways to help pay for your health care
• Know if the provider or facility accepts the Medicare assignment rate
• To be told prior to getting a service how much it may cost you
• Get a copy of a bill and have the charges explained to you
• Get medical treatment or special help for people with disabilities, regardless of race, national origin, religion, handicap, or source of payment
• Receive treatment for any health emergency that will get worse if you do not get treatment
• Know if medical treatment is for experimental research and to say yes or no to participating in such research
• Make a complaint when your rights are not respected
• Ask for another doctor when you do not agree with your doctor (second medical opinion)
• Get a copy of your medical record and ask to have information added or corrected in your record, if needed
• Have your medical records kept private and shared only when required by law or with your approval
• Decide how you want medical decisions made if you can’t make them yourself (advanced directive)
• To file a grievance about any matter other than a Plan’s decision about your services
• To appeal a Plan’s decision about your services
• Receive services from a provider that is not part of our Plan (out-of-network) if we cannot find a provider for you that is part of our Plan
• Receive information about our Plan, its services, its practitioners and providers and member rights and responsibilities
• Make recommendations regarding our Plan’s member rights and responsibility policy

LTC Members have the right to:

• Be free from any form of restraint or seclusion used as a means of coercion, discipline, convenience or retaliation
• Receive services in a home-like environment regardless of where you live
• Receive information about being involved in your community, setting personal goals and how you can participate in that process
• Be told where, when and how to get the services you need
• To be able to take part in decisions about your health care
• To talk openly about the treatment options for your conditions, regardless of cost or benefit
• To choose the programs you participate in and the providers that give you care
Section 17: Your Member Responsibilities

As a recipient of Medicaid and a member in a Plan, you also have certain responsibilities. You have the responsibility to:

- Give accurate information about your health to your Plan and providers
- Tell your provider about unexpected changes in your health condition
- Talk to your provider to make sure you understand a course of action and what is expected of you
- Listen to your provider, follow instructions and ask questions
- Keep your appointments or notify your provider if you will not be able to keep an appointment
- Be responsible for your actions if treatment is refused or if you do not follow the health care provider's instructions
- Make sure payment is made for non-covered services you receive
- Follow health care facility conduct rules and regulations
- Treat health care staff with respect
- Tell us if you have problems with any health care staff
- Use the emergency room only for real emergencies
- Notify your case manager if you have a change in information (address, phone number, etc.)
- Have a plan for emergencies and access this plan if necessary for your safety
- Report fraud, abuse and overpayment

LTC Members have the responsibility to:

- Tell your case manager if you want to disenroll from the Long-term Care program
- Agree to and participate in the annual face-to-face assessment, quarterly face-to-face visits and monthly telephone contact with your case manager

Section 18: Other Important Information

Patient Responsibility

You have to pay for the patient responsibility when you live in a facility, like an assisted living facility or adult family care home. Patient responsibility is the money you must pay towards the cost of your care. DCF will tell you the amount of your patient responsibility. Patient responsibility is based on your income and will change if your income changes.

Emergency Disaster Plan

Disasters can happen at any time. To protect yourself and your family, it is important to be prepared. There are three steps to preparing for a disaster: 1) Be informed; 2)
Make a Plan; and 3) Get a Kit. For help with your emergency disaster plan, call Member Services or your case manager. The Florida Division of Emergency Management can also help you with your plan. You can call them at 1-850-413-9969 or visit their website at www.floridadisaster.org

**Fraud/Abuse/Overpayment in the Medicaid Program**

To report suspected fraud and/or abuse in Florida Medicaid, call the Consumer Complaint Hotline toll-free at 1-888-419-3456 or complete a Medicaid Fraud and Abuse Complaint Form, which is available online at:

https://apps.ahca.myflorida.com/mpi-complaintform/

You can also report fraud and abuse to us directly by contacting Sunshine Health’s anonymous and confidential hotline at 1-866-685-8664, or by contacting the Compliance Officer at 1-866-796-0530. You may also send an email to Compliancefl@centene.com

**Abuse/Neglect/Exploitation of People**

You should never be treated badly. It is never okay for someone to hit you or make you feel afraid. You can talk to your PCP or case manager about your feelings.

If you feel that you are being mistreated or neglected, you can call the Abuse Hotline at 1-800-96-ABUSE (1-800-962-2873) or for TTY/TDD at 1- 800-955-8771. You can also call the hotline if you know of someone else that is being mistreated.

Domestic violence is also abuse. Here are some safety tips:

- If you are hurt, call your PCP
- If you need emergency care, call 911 or go to the nearest hospital. For more information, see the section called EMERGENCY CARE
- Have a plan to get to a safe place (a friend’s or relative’s home)
- Pack a small bag, give it to a friend to keep for you

If you have questions or need help, please call the National Domestic Violence Hotline toll free at 1-800-799-7233 (TTY 1-800-787-3224).

**Advance Directives**

An **advance directive** is a written or spoken statement about how you want medical decisions made if you can’t make them yourself. Some people make advance directives when they get very sick or are at the end of their lives. Other people make advance directives when they are healthy. You can change your mind and these documents at any time. We can help you understand or get these documents. They do not change your right to quality health care benefits. The only purpose is to let others know what you want if you can’t speak for yourself.

1. A Living Will
2. Health Care Surrogate Designation
3. An Anatomical (organ or tissue) Donation
You can download an advanced directive form from this website:

Make sure that someone, like your PCP, lawyer, family member, or case manager
knows that you have an advance directive and where it is located.

If there are any changes in the law about advance directives, we will let you know
within 90 days. You don’t have to have an advance directive if you do not want one.

If your provider is not following your advance directive, you can file a complaint with
Member Services at 1-866-796-0530 or the Agency by calling 1-888-419-3456.

**Getting More Information**

You have a right to ask for information. Call Member Services or talk to your case
manager about what kinds of information you can receive for free. Some examples are:

- Your member record
- A description of how we operate
- Community Programs

To take a look at Sunshine Health’s HEDIS results, please visit
https://www.sunshinehealth.com/members/medicaid/resources/quality-
improvement.html

**Section 19: Additional Resources**

**Floridahealthfinder.gov**

The Agency is committed to its mission of providing “Better Health Care for All
Floridians.” The Agency has created a website [www.FloridaHealthFinder.gov](http://www.FloridaHealthFinder.gov) where
you can view information about Florida home health agencies, nursing homes,
assisted living facilities, ambulatory surgery centers and hospitals. You can find the
following types of information on the website:

- Up-to-date licensure information
- Inspection reports
- Legal actions
- Health outcomes
- Pricing
- Performance measures
- Consumer education brochures
- Living wills
- Quality performance ratings, including member satisfaction survey results

The Agency collects information from all Plans on different performance measures
about the quality of care provided by the Plans. The measures allow the public to
understand how well Plans meet the needs of their members. To see the Plan report cards, please visit http://www.floridahealthfinder.gov/HealthPlans/search.aspx. You may choose to view the information by each Plan or all Plans at once.

**Elder Housing Unit**

The Elder Housing Unit provides information and technical assistance to elders and community leaders about affordable housing and assisted living choices. The Florida Department of Elder Affairs maintains a website for information about assisted living facilities, adult family care homes, adult day care centers and nursing homes at http://elderaffairs.state.fl.us/doea/housing.php as well as links to additional Federal and State resources.

**MediKids Information**

For information on MediKids coverage please visit: http://ahca.myflorida.com/medicaid/Policy_and_Quality/Policy/program_policy/FLKidCare/MediKids.shtml

**Aging and Disability Resource Center**

You can also find additional information and assistance on State and federal benefits, local programs and services, legal and crime prevention services, income planning or educational opportunities by contacting the Aging and Disability Resource Center (ADRC).

**Independent Consumer Support Program**

The Florida Department of Elder Affairs also offers an Independent Consumer Support Program (ICSP). The ISCP works with the Statewide Long-term Care Ombudsman Program, the ADRC and the Agency to ensure that LTC members have many ways to get information and help when needed. For more information, please call the Elder Helpline at 1-800-96-ELDER (1-800-963-5337) or visit http://elderaffairs.state.fl.us/doea/smmcltc.php

---

**Section 20: Forms**

1. Appointment of a Designated Representative
2. Authorization and Revocation Form
3. Consent for Release of Medical Records
4. Notification of Pregnancy
5. Specialty Medication Prior Authorization Form

Authorization to Use and Disclose Health Information

**Notice to Member:**

• Completing this form will allow **Sunshine Health** to (i) use your health information for a particular purpose, and/or (ii) share your health information with the individual or entity that you identify on this form.
• You do not have to sign this form or give permission to use or share your health information. Your services and benefits with **Sunshine Health** will not change if you do not sign this form.
• Right to cancel (revoke): This authorization/consent form is subject to revocation at any time except to the extent that **Sunshine Health** or other lawful holder of your health information that is permitted to share it has already acted in reliance on it. If you want to cancel this Authorization Form, fill out the Revocation Form on the last page and mail it to the address at the bottom of the page.
• **Sunshine Health** cannot promise that the person or group you allow us to share your health information with will not share it with someone else.
• Keep a copy of all completed forms that you send to us. We can send you copies if you need them.
• Fill in all the information on this form. When finished, mail it to the address at the bottom of the first page.

**Section I.**
Member Name (print):_____________________________________________________________
Member ID Number: _________________________      Member Date of Birth: ____/_____/_____

Revoke Authorization to Use and/or Disclose Health Information

Member Name (print):______________________________________________________________

Member ID Number: ___________________ Member Date of Birth: _____/_____/

I want to cancel, or revoke, the consent I gave to Sunshine Health to release my health information to the following person(s) or group(s).

Name (person or group): __________________________________________________________

Relationship to Member: __________________________________________________________

Authorization Signed Date (if known): _____/_____/

I understand that my health information (including, where applicable, my substance use disorder records) may have already been used or shared because of the permission I gave before. I also understand that this cancellation only applies to the permission I gave to use my health information for a particular purpose or to share my health information with the person or group. It does not cancel any other authorization forms I signed for health information to be used for another purpose or shared with another person or group.

Member Signature: __________________________________ Date: ___/___/

(Member or Legal Representative Sign Here)

If you are signing for the Member, describe your relationship below. If you are the Member’s personal representative, describe this below and send us copies of those forms such as power of attorney or order of guardianship.

Relationship: ________________________________________________________________

Sunshine Health will stop using or sharing your health information when we receive and process this form. Use the mailing address below. You can also call for help at the number below.
Consent for Release of Medical Records

Member ID: ________________________________

Patient Name: __________________________________________ Social Security # ________________________

Patient Address: ________________________________

Date of Birth: ____________________________ Telephone Number: ____________________________

I authorize ____________________________________________________________ to release copies of my medical records to:

(Provider/Office Name and Address)

A. I authorize release of information for: (refer to Sections C and D)
   _____ Medical Care (physician, etc.)
   _____ Personal Care
   _____ Other:  ☐ Attorney ☐ Insurance ☐ Employer or describe:

B. I am transferring from Medical Office #: _________________________ To:

C. I authorize release of my:
   _____ Entire medical record  OR  _____ Medical Records for the specific treatment dates from ________________ to

D. I authorize release of the following portions of my medical record:
   (Write your initials beside each area to be included in the release)
   _____ Mental Health  _____ Substance Abuse
   _____ HIV/AIDS  _____ Communicable Disease

I understand that this authorization shall be in effect for 1 year following the date of signature. However, I understand that this authorization may be revoked at any time by giving oral or written notice to the medical office. A photocopy of this authorization shall constitute a valid authorization. I understand that once my records have been released, the medical office cannot retrieve them and has no control over the use of the already released copies.

I hereby release Sunshine State Health Plan, its subsidiaries and affiliates, and my medical office from any and all liability that may arise as a result of my authorized release of these records.

Should my case require review by a government agency or another medical professional actively involved in my care to make a final determination, it is with my consent that a copy of these records will be submitted to the agency or medical professional for this review.
