The 20% discount is restricted to items purchased for the health of cardholder only, and applies to regularly priced CVS Health Brand health-related items valued at \$1 or more. Your ExtraCare Health Benefit may not be used in Target stores including those with a CVS Pharmacy in them. Excludes alcohol, lottery, money orders, prescriptions and copays, pseudoephedrine/ephedrine products, postage stamps, pre-paid cards, gift cards, newspapers and magazines, milk (where required by law or regulation), bottle deposits, bus passes, hunting and fishing licenses, any imposed governmental fees, or items reimbursed by a government health plan.

Other pharmacies are available in our network. You are not obligated to fill your prescriptions at CVS Pharmacy by using this Value Added Service. The products and services described above are neither offered nor guaranteed under Medicare. In addition, they are not subject to Medicare appeals process. Purchases eligible for the ExtraCare Health Benefit discounts will not count towards your true-out-of-pocket (Troop) costs. Any disputes regarding these products and services may be subject to your plan's grievance process.

Your privacy is important to us. Our employees are trained regarding the appropriate way to handle your private health information.
